

Valued Customer,

Thank you very much for enrolling in our will call delivery program. In order to receive the \$50 off your first 150 gallons or more you will need to purchase 1000 gallons of heating oil through us on will call delivery. There is no penalty if you decide to terminate your service before the required amount is reached but you simply will be responsible for the pro-rated amount of the promotion.

If you could complete and return this statement you will be eligible for the promotional offer.
